

While you can't predict life's outcomes, you can help prepare for them.

Imagine...

A co-worker, James, recently lost his father. Although he lived a full life, the loss was hard on the family.

MetLife at your side

- The MetLife Advantages program gave James and his family the help they needed to navigate this difficult time.
- Because professional assistance was available to help make the funeral arrangements, the family was able to focus on the healing process.
- And, since James had helped his father update his will through the online will preparation program, his final wishes were easier to manage.
